

Core Values

Core values are deeply held beliefs, highest priorities, and the fundamental forces that drive our actions. Here are the values that drive our actions at The Grove:

Scriptural Authority

- We believe the Bible is the Word of God and is relevant to our lives.
- *How is the Bible guiding my life today?*

Intentional Worship

- We believe we worship not only at church, but also through our everyday actions.
- *Do the things that I think, say, and do reflect the presence of God in my life?*

Personal Responsibility

- We believe we are personally responsible for growing in our relationship with God by maintaining spiritual disciplines such as Bible reading, private prayer, worship, and regularly gathering with other believers.
- *Do I have a personal, growing relationship with God?*

Authentic Relationships

- We believe people are strengthened when they are in authentic and sincere relationships with others.
- *What am I doing to build and foster relationships?*

Radical Generosity

- God is faithful, and we will give like we believe it.
- *How am I allowing God to use my time, resources, and finances?*

Sacrificial Service

- We believe Jesus paid the ultimate price to serve, so we will follow His example and deny ourselves so that others might find life in Christ.
- *How am I serving in the local church and community?*

Engaging Environments

- We will create environments that are compelling and engaging to people who are attending church for the first time (or the first time in a while).

Relational Evangelism

- We will earn the privilege to share our faith by forming personal relationships.

Intentional (Purposeful) Mentoring

- We will help people discover, develop, and use their God-given gifts.

Bold Faith

- We will not be afraid to take risks to advance the Kingdom of God.

Infectious Joy

- We will work hard, play hard, and laugh hard...together.
